Experience

Graphic Design Intern

Algonquin College Marketing Department
March 2018 - May 2018

I completed an internship with the Algonquin College marketing department which marked the end of my studies. I worked closely with everyone around the office on a number of different projects while learning their brand guidelines.

- Developed brochures and pamphlets for program enrollment,
- Edited videos for ad campaign advertising programs at the Perth campus,
- Redesigning past work to update brand identity,
- Created on-brand Word and PowerPoint templates,
- Mocked up banners and posters for different events

Motion Graphics Teacher's Assistant

Algonquin College Graphic Design Program
September 2017 - May 2018

My program's coordinator and professor asked me to be a Teacher's Assistant based on my high grade average, high work ethic and enthusiasm for the motion graphics class.

- Assisted teacher by answering student's questions,
- Taught students tricks I had learned over the years,
- Got to know the second year students and talk to them about their work

Being the TA for the motion class helped me develop and improve my skills even more by revisiting the old assignments I had done in the past.

Photographer for Carassauga Festival of Cultures

Mississauga, Ontario
May 24, 25, 26 2018

I was hired as the photographer for the Indian Pavilion at the annual festival. It was a weekend filled with vibrant Indian culture which I had never been exposed to prior and it was quite thrilling to be able to witness everyone's joy and excitement.

- Shot over 1700 photos,
- Colour corrected and edited over 400 photos

Education

École Secondaire Catholique Garneau

High School Graduate
September 2010 - June 2015

Collège Catholique Franco-Ouest

Photography Semester
January 2015 - June 2015

I spent my final semester of high school in a photography program where I learned techniques and used all kinds of different lighting, lenses and all other available professional equipment.

Algonquin College

Graphic Design Program Graduate
September 2015 - April 2018

During the 3-year program, I learned Motion Graphics, Typography, Illustration, Computer Graphics, Branding, Photography, Colour Theory, Sketching and so much more.

- I made the Dean's List for consistently maintaining a GPA above 3.60

Proficient in

- All Adobe Creative Suites
- Logo & Branding Design
- Motion Graphics
- Multimedia
- HTML & CSS
